NEW KING AND QUEEN REIGN AT ANNUAL VALENTINE BANQUET

Miss Cynthia Trisbaud and Johnny Williams were chosen Queen and King of the Annual Sweetheart—Valentine Banquet given by the First Baptist Church for the Intermediate Youth of the Church on Feb. 9 at 7 a. m.

The banquet was held in the Fellowship Hall of the church, decorated in the theme "Sweethearts Around the World." The entrance to the hall was a rose-covered archway leading into a garden type setting with large world globes located around the room, which was highlighted by a wishing well in the center, with live soil placed around it, and accented with artificial flowers.

The tables were beautifully decorated with sprays of fern and roses down the center and miniature flags of different countries. Valentine place cards and cups filled with candy hearts added to the theme. The walls and ceiling were decorated with cupid and hearts in several sizes. A large red heart sprinkled with glitter and trimmed with white ruffie and a spray of flowers, with a love seat in front was the setting for the crowning of the King and Queen of the Banquet.

Oh that I knew where I might find him! —Job 23:3

I HAD asked myself, "What is the real message of Job?" It was only after the loss of my brother that I turned to the Book of Job with the hope of finding some comfort in my sorrow. After devoting two months to reading it, light shone on my soul. It was such a source of comfort to my heart that I cannot describe my feeling in words. Tears and sobs were replaced by hope and consolation.

For me the Book of Job is a study in how to meet life. Problems, calamities, and unexpected catastrophes are such that we are apt to collapse, however strong and wise we may be, if we try to meet them without God. We can experience the loss of property, family, health, friends; but in finding God and walking by faith in Him, life's burdens become easier. Knowing that our Redeemer lives is not enough; we need to accept Him as our Savior, for He then becomes for us the best anchor for the soul in the storms of life.

PRAYER: Our heavenly Father, we confess that life is more than we can meet alone. Thank You for sending Your Son to be with us. Give us always aware of Your presence by the Holy Spirit, that we may walk in the valley of the shadow of death unafraid. In the Savior's name. Amen.

THOUGHT FOR THE DAY

Life's burdens become lighter when we walk by faith in God.

1.—Nora, donde te inspiraste para tu trabajo?
"De haber llegado recientemente de Cuba y haber presenciado muchos de los sacrificios que azota al pueblo de Cuba"

2.—Siendo tan joven, como analizaste tan hondo la situación actual de tu Patria?
"Siento la causa de mi patria como algo muy mio"

3.—Dinos algo sobre la patria de ayer y de hoy, lema de tu composición.

"En la escuela de mi pueblo natal San Cristobal."

5.—Notaste mucha diferencia entre los primeros grados que cursaste en Cuba y los últimos años escolares?
"En los primeros grados los profesores trabajan de enseñarnos a querer y venerar a nuestra patria, nuestra bandera y nuestros patriotas, y ultimamente inculcamos el adiestramiento comunista que está actualmente en Cuba."

6.—Que planes tienes para futuro?
"Tengo tantos planes que en verdad no se cual escoger. Lo que mas me gustaria ser es doctora en medicina, y si eso no llega a ser posible por motivos economicos, estudiar magistrado o ser escritora, para que algun dia los alumnos cubanos no tengan que repetir mis palabras sobre mi patria."

Felicitemos a Nora Chente por su facilidad de palabra y letra y su hondo sentimiento patriótico. Joven a quien se le nota clara inteligencia y gran amor por Cuba y sus compatriotas.

WARRIORS ARE MASSACRED

It was Belle Glade all the way when the Rams literally massacred the Jupiter Warriors on Friday, February 2. The game ended 121-40 with four Belle Glade players scoring over 20 points.

Henry Rionda was high scorer in the first and second quarters with 10 and 12 points respectively. Making 11 free throws, he came through to be high scorer for the night with 29. Eddie McAllister added 12 points to the Rams' tally to be high scorer in the third quarter and Rafael Viamontes poured in, on scoring 17 points in the fourth quarter. The steady out-broke shooting of Steve Close brought 22 points to make him third high scorer of the night. Viamontes was second high with 28 and McAllister was fourth with 21.

Belle Glade led Jupiter in every quarter. The game ended, setting a new record for the highest scoring game in the history of Belle Glade High School.

The Annihilation Of Man

The sun is shining on the world today. But wait, where are all the people, the alligators, and fleas? Where have all the people gone? Far, far away!

This is merely a dream. It is the imagination of the world after an atomic bomb explodes on one world power, triggering a chain-reaction. Oh yes, a dream, but ask Hiroshima and the dead about their nightmare.

Cavemen used clubs to pound their enemies to the ground. The Romans rode chariots, and the Hitler used mass murder. The civilized twentieth century world powers use atomic bombs.

Our government stands in Washington today with nervous, mixed emotions on various problems. — If we take Step A, will they (our enemy) take step B? Will step A and B provoke and intimidate Step C, which in turn provokes etc.? — In other words they're holding their breath, wondering when, how, and if we will be forced to push a button and say good-bye to the human race.

Now this is just one first state of affairs. Mankind has been dealing with murder and killing since the beginning.

We've witnessed mass murder before

Local Serviceman
Attends Training
Center at Tifton

Donald Dodd, Serviceman for Glades Equipment International Harvester dealer in Belle Glade has just completed an intensive one-week training course on tractor hydraulics and hitches, diesel fuel injection systems, power steering, hydraulic pumps, valves and cylinders at International Harvester's Service Training Center near Tifton, Georgia.

Classes are small enough for each serviceman to receive ample personal direction. Each serviceman "learns-by-doing." By actually trouble-shooting the equipment and working with it, they are prepared to quickly diagnose and correct service problems. This new and practical experience can be put to use as soon as each man returns home.

The service training center was originated to enable dealer service specialists to acquire training in the professional skills needed to meet today's demanding requirements of complex farm and industrial machinery.

The Shocking Stockings
Q. What should I wear with these wild, new, shocking stockings? Do I have to wear plain colors all the time?
A. Definitely not! In fact, the hatched, textured stockings and over-the-knee socks are the most fun with plaids, checks, or tweeds. Don't be afraid to try unusual combinations of textures or colors. Use your imagination.
Plum Perfection
Q. What besides plum, can I wear with a plum-colored jumper?
A. Try a navy print blouse or a navy and white striped shirt. Add a navy and plum paisley ascot or tie for a new look. Or go wild with color in a striped neck of orange, gold, or celery green.
A New Look
Q. I have a navy boy coat that I used to be making. What can I do to make it look more up to date.
A. Be sure that the sleeve and hem lengths are right. Remove unnecessary padding. Give your coat a military look with shiny brass buttons. Add a bright turn-down collar, a dot or paisley scarf, and your coat is perfect for school.

Valentine Ball In Gymnasium

Valentines, your night is here at last! Friday, February 16, our student council is sponsoring an annual Post Valentine Ball in the gymnasium. Come and dance the night away to the swinging best of popular records and the school's jazz band. This is just one of the many projects sponsored in hopes of strengthening student-student leadership and increasing a finer quality of school spirit. It will also provide additional recreation for the students.
The proceeds received from the activity will go toward the water fountain drive.
Wait! That's not all, at the dance a King and Queen of Hearts will be elected, by a special drawing procedure. There will be three door prizes given at the dance.
We will see you there. Who knows, you might be King or Queen.

2. To present to the Council Suggestions and Plans for Valentine events including the annual "mail box for Valentine cards" and the "Sweetheart Ball."
3. To take under consideration any activities that might better the students and Council relationship.
The meeting was then closed off by our President, Curtis Pierce.

Reminders About Headlight Use

TALLAHASSEE — Winter tourists and local residents were reminded by the Florida Highway Patrol today of the Florida law which requires the use of lower beam headlights in the daytime when driving in fog, smoke or rain. Patrol Commander, Colonel Robert Kirkman, said, "Most drivers are unaware of the law which requires the use of headlights in the daytime when visibility is 500 feet or less, but Florida requires lights in fog, smoke or rain regardless of how far you can see."

Parking lights or any other auxiliary lights do not meet the requirements of the law. Lower beam headlights must be used.

"Of course, it's best not to drive in heavy fog or rain," said Kirkman, "but if you do, reduce your normal driving speed and be prepared for an emergency stop."

There recently have been a number of serious traffic crashes in heavy fog in the State.

Kirkman appealed to Florida residents to extend some "southern hospitality to winter visitors by informing them of this law. Remember to turn on your headlights anytime you turn on your windshield wipers."
